

# MEET THE PEOPLE SERVING YOU

**Karima Causey, MD**

**Karima Causey, MD** is certified by the American Board of Family Medicine, and she is a family physician who enjoys serving patients in the Memphis Metropolitan area. Dr. Causey graduated Magna Cum Laude from Christian Brothers University in Memphis, Tennessee with a Bachelor of Science Degree in Biology, and she completed medical school at the East Tennessee State University Quillen College of Medicine and attended residency at the University of Tennessee, Memphis (UT Saint Francis Family Medicine Program). While in this program, Dr. Causey received awards and honors including the Gregory C. Mitchell, M.D. Award for Outstanding Performance by a First Year Resident and served as Chief Resident her senior year of residency. She is a member of the Tennessee Medical Association, Tennessee Academy of Family Physicians, and American Academy of Family Physicians. In her spare time, Dr. Causey enjoys cooking and volunteering with her church where she serves on the medical ministry team.

**Montrese Alleyne, APN, NP-C**

**Montrese Alleyne, APN, NP-C**, has been a nurse practitioner for over five years and is a licensed practitioner in Tennessee and Georgia. Mrs. Alleyne moved from the Atlanta area three years ago due to a spousal relocation. She started her nursing career as a registered nurse specializing in neonatology, labor and delivery over 16 years ago. Mrs. Alleyne graduated from Georgia Perimeter College in Clarkston, Georgia with an Associate of Science in Nursing. She then completed a Bachelors in the Science of Nursing degree at the University of Phoenix, while working as a registered nurse. Years later, Mrs. Alleyne returned to graduate school at the University of Cincinnati and completed a Masters in Nursing degree, with a Family Nurse Practitioner concentration. She is a board certified nurse practitioner with the highly esteemed, American Academy of Nurse Practitioners. Mrs. Alleyne is married and has two children, ages 10 and 7. She enjoys spending quality time with her family, traveling and reading inspirational books in her spare time. Mrs. Alleyne plans to begin a doctoral nursing program in 2019.
