	Rescinds:	Revised: 10/27/2016 04/23/2020

1 **PURPOSE**

2 To entitle eligible employees to take reasonable leave for medical reasons, for the birth or
3 adoption of a child, and for the care of a child, spouse, or parent who has a serious health
4 condition.

5 **ELIGIBILITY**

6 Anyone who has been employed for at least twelve (12) months and has at least 1,250 hours of
7 service with Bartlett City Schools (hours used for leave, even FMLA leave, shall not be credited
8 for service for purposes of FMLA eligibility¹) during the previous twelve month period.²

9 **GENERAL PRINCIPALS**

10 Any eligible employee shall be granted, upon request, up to twelve (12) weeks unpaid leave during
11 a fixed calendar year for the following reasons:

- 12 1. The birth and care of a child;
- 13 2. The placement of a child for adoption or foster care;
- 14 3. The employee's serious health condition that makes the employee unable to perform the
15 essential functions of his or her job position;
- 16 4. The care of a child, spouse, or parent who has a serious health condition; and
- 17 5. Any qualifying exigencies arising out of the fact that the employee's child, spouse, or
18 parent is on active duty or has been notified of an impending call or order to active duty.

19 Requests for leave and granting of leave shall conform to applicable federal and state law. A
20 physician's statement may be required when determining the leave period, and for foreseeable
21 leave, the employee shall adhere to District notice requirements and provide the Superintendent
22 with at least thirty (30) days written notice before the beginning of the anticipated leave.

23 An employee may use accrued sick or annual leave for unpaid family and medical leave. Paid
24 leave shall run concurrently with and be counted toward the employee's total period of FMLA
25 leave.

26 **MATERNITY/PATERNITY LEAVE**

27 FMLA leave for maternity purposes shall run concurrently with leave provided under the
28 Tennessee Maternity Act. In accordance with state law, any eligible employee requesting leave

² Family and Medical Leave Act 1993

1 due to adoption, pregnancy, childbirth, and nursing an infant shall be granted up to four (4) months
2 leave.³

3 Any employee on maternity/paternity leave shall be permitted to use accumulated sick and annual
4 leave for a period not to exceed the employee's accumulated leave or twelve (12) weeks,
5 whichever is less.⁴ To be eligible to use sick and/or annual leave in connection with the birth,
6 placement, or adoption of a child, the employee must submit a written request accompanied by a
7 statement from the employee's physician verifying the pregnancy or the agency handling the
8 child's placement with the employee.

9 Spouses who are both eligible Bartlett City Schools employees are limited to a combined total of
10 twelve (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken
11 for the birth and care of a newborn child, for placement of a child for adoption or foster care, or to
12 care for a parent who has a serious health condition. Under certain circumstances, spouses who
13 share leave for the birth or adoption of a child may be eligible for limited amounts of additional
14 leave for other qualifying FMLA reasons.

15 **MILITARY LEAVE**

16 **Qualifying Exigencies.** Eligible employees are entitled up to twelve (12) workweeks of leave
17 because of any qualifying exigency arising out of the fact that the employee's child, spouse, or
18 parent is on active duty or has been notified of an impending call or order to active duty in the
19 Armed Forces. Qualifying exigencies may include:

- 20 1. Issues arising from a covered service member's short notice deployment (i.e., less
21 days of notice) for a period of seven (7) days from the date of notification;
- 22 2. Military events and related activities, such as official ceremonies, programs, or events
23 sponsored by the military or family support or assistance programs and informational
24 briefings sponsored or promoted by the military, military service organizations, or the
25 American Red Cross that are related to the active duty or call to active duty status of
26 a covered service member;
- 27 3. Making or updating financial and legal arrangements to address a covered service
28 member's absence;
- 29 4. Attending counseling provided by someone other than a health care provider for
30 oneself, the covered service member, or the child of the covered service member, the
31 need for which arises from the active duty or call to active duty status of the covered
32 service member;
- 33 5. Taking up to fifteen (15) days of leave to spend time with a covered service member
34 who is on short-term temporary, rest and recuperation leave during deployment;
- 35 6. Attending to certain post-deployment activities, including attending arrival ceremonies,
36 reintegration briefings and events, and other official ceremonies or programs
37 sponsored by the military for a period of ninety (90) days following the termination of

³ T.C.A. §49-5-702; T.C.A. §4-21-408

⁴ T.C.A. §8-50-802(4)(a)

- 1 the covered service member's active duty status, and addressing issues arising from
2 the death of a covered service member; or
3 7. Any other event that the employee and employer agree is a qualifying exigency.

4 **Military Caregiver Leave**⁵. An eligible employee who is a spouse, child, parent, or next of kin of
5 a covered service member or covered veteran with a serious injury or illness shall be granted up
6 to a total of twenty-six (26) workweeks of unpaid leave during a "single 12-month period" to care
7 for the covered service member or covered veteran. A covered service member is a current
8 member of the Armed Forces, including a member of the National Guard or Reserves, who is
9 undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is
10 otherwise on the temporary disability retired list, for a serious injury or illness. A covered veteran
11 is an individual who was a member of the Armed Forces at any time during the period of five (5)
12 years preceding the date of the medical treatment, recuperation, or therapy that has a serious
13 injury or illness who is currently receiving medical treatment, recuperation, or therapy. The
14 calculation of this 5-year period shall not include the interval of October 28, 2009 through March
15 8, 2013. The "single 12-month period" for leave to care for a covered service member or covered
16 veteran with a serious injury or illness begins on the first day the employee takes leave for this
17 reason and ends twelve (12) months later, regardless of the twelve (12) month period established
18 by the employer for other types of FMLA leave. An eligible employee is limited to a combined total
19 of twenty-six (26) workweeks of leave to provide care for a covered service member.

20 For covered service members, a serious injury or illness is one that was incurred by a service
21 member in the line of duty on active duty that may render the service member medically unfit to
22 perform the duties of his or her office, grade, rank, or rating. For covered veterans, a serious injury
23 or illness is defined as:

- 24 1. A continuation of a serious injury or illness that was incurred or aggravated in the line
25 of duty while on active duty that rendered the veteran unable to perform the duties of
26 the veteran's office, grade, rank, or rating;
27 2. A physical or mental condition for which the veteran has received a U.S. Department
28 of Veterans Affairs Service Related Disability Rating (VASRD) of 50 percent or higher,
29 and such VASRD rating is based, in whole or in part, on the condition precipitating the
30 need for military caregiver leave;
31 3. A physical or mental condition that substantially impairs the veteran's ability to secure
32 or follow a substantially gainful occupation by reason of a disability or disabilities
33 related to military service, or would do so absent treatment; or
34 4. An injury, including a psychological injury, on the basis of which the veteran has been
35 enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance
36 for Family Caregivers.

37 **INTERMITTENT LEAVE**⁶

38 Employees may take FMLA leave intermittently when medically necessary to care for a seriously
39 ill family member, because of the employee's own serious health condition, for the care of a

⁵ 29 C.F.R. §825.127

⁶ 29 C.F.R. §825.601

1 newborn, or for the placement of a child for foster care or adoption. When an instructional
2 employee requests foreseeable leave for planned medical treatment and the employee would be
3 on leave for greater than twenty percent (20%) of the total number of working days in the period
4 during which the leave would extend, the District may require that such employee elect either to
5 take the leave for periods of a particular duration, not to exceed the duration of the planned
6 medical treatment, or to transfer temporarily to an available alternative position offered by the
7 District for which the employee is qualified and that has equivalent pay and benefits and better
8 accommodates recurring periods of leave.

9 **RESTRICTIONS**

10 **Notice Requirements.**

11 For foreseeable leave, the employee shall provide the Superintendent with at least thirty (30) days
12 written notice before the beginning of the anticipated leave.

13 Once it has been established that the leave requested qualifies for FMLA, the Superintendent or
14 his/her designee shall notify the employee within three (32) business days (absent extenuating
15 circumstances) that any leave taken pursuant to state leave statutes (paid vacation leave,
16 personal leave, sick leave or worker's compensation) shall run concurrently with FMLA leave.⁷
17 The notice may be given orally or in writing. If the notice is oral, it shall be confirmed in writing, no
18 later than the following pay day.⁸

19 **Certification Requirements.**

20 The Superintendent may require that a request for leave be supported by certification issued by
21 a healthcare provider with the following information:

- 22 1. The date on which the serious health condition commenced;
- 23 2. The probable duration of the condition;
- 24 3. The appropriate medical facts within the knowledge of the health care provider
25 regarding the condition; and
- 26 4. A statement that the eligible employee is needed to care for the son, daughter, spouse
27 or parent and an estimate of the amount of time that such employee is needed.

28 If there is any reason to doubt the validity of the certification provided, the Superintendent may
29 require, at the expense of the District, an opinion of a second health care provider.

30 **Period Near the End of an Academic Term (Professional employees).**

31 If leave is taken more than five (5) weeks prior to the end of the term, the Superintendent may
32 require the employee to continue taking leave until the end of the term if the leave is at least three
33 (3) weeks of duration and the return of employment would occur during the three (3) week period
34 before the end of the term.

⁷ 29 C.F.R. §825.207

⁸ OP Tenn. Atty Gen 94-006 (Jan. 13, 1994); *Plant v. Morton International, Inc.* 212 F.3d 929, 6th Cir. (2000).

1 If the leave is taken five (5) weeks prior to the end of the term, the Superintendent may require
2 the employee to continue taking leave until the end of the term if the leave is greater than two (2)
3 weeks duration and the return to employment would occur during the two (2) week period before
4 the end of the term.

5 **REQUIREMENTS OF THE BOARD**

- 6 1. The employee shall be restored to the same or equivalent position of employment with no
7 loss of benefits, pay, or other terms of employment.
- 8 2. The employee shall be kept under any group health plan for the duration of the leave.
- 9 3. The Board may recover the premium paid while employee is on FMLA leave under the
10 following conditions:
 - 11 A. The employee fails to return from leave after the period of leave has expired.
 - 12 B. The employee fails to return to work for a reason other than the continuation,
13 recurrence, or onset of a serious health condition or other circumstances beyond
14 the control of the employee.
